Contents: Allotments -- Various statistical tables.

[1931 extracts](#)

Contents: Various statistical tables.

[1932 extracts](#)

Contents: Education -- California Indians -- Allotments -- Various statistical tables.

Notes:

1. Prior to approximately 1900, most or all statistical tables were printed as two-page spreads, making them impossible to scan from microfilm at a useful size. These were omitted, but many are available through the provided links at the Internet Archive (<http://www.archive.org>).

2. Many of the statistical tables contain footnotes (at a smaller size). However, these were too small to read on microfilm and so were omitted.
